Career Fairs

One representative from KSBI-TV attended the University of Central Oklahoma Career Fair in September, 2008. This career fair was a campus-wide event. Information and a DVD program on-site were offered as informational data regarding KSBI-TV. Available positions were discussed with several interested students. Students signed up on our sign-up sheet and resumes were obtained for those interested.

One representative from KSBI-TV attended The University of Oklahoma's Journalism and Mass Communication Career Fair in October 2008. It was a career fair just for those exiting the Gaylord School of Journalism & Broadcasting at OU. Available positions were discussed, as well as those that may be available in the future. Several students stopped by to speak with KSBI-TV representatives. KSBI-TV representatives encouraged sign-up, and obtained resumes for those students interested in future employment.

Internship Program

KSBI-TV maintains an internship program designed to assist members of the community, mainly students from local colleges and universities, to acquire skills needed for broadcast employment. Those students who are involved in the internship program gain knowledge in the areas of news, weather, production/operations, and overall business skills, in order to get real experiences in broadcasting.

Participation in job banks, Internet Programs, and other programs designed to promote outreach generally

KSBI-TV posts job opportunities on its website, www.ksbitv.com. KSBI-TV's website is intended also to describe the television broadcast business and promote general outreach to the community. KSBI-TV posts job opportunities with Oklahoma Association of Broadcasters, which reaches out to many other sources within the community.

Training programs designed to enable station personnel to acquire skills that could qualify them for higher-level positions

KSBI-TV has often promoted from within and has trained staff to qualify for more responsible positions being offered. Those promoted were Receptionist to Accounting/HR Assistant, and Production Personnel to Satellite Truck Operator.

Provision of training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination

KSBI-TV has posted EEO policy on the website and at the station. KSBI-TV expands content and continues training as needed.
